Calling all golfers and those who wish to be introduced to the wonderful game of golf! ILCO's 19th annual golf tournament is being held at The Marshes Golf Club in Ottawa and is a great way to gear up for the conference with colleagues, conference exhibitors and sponsors, family and friends. This remarkable course is situated in the west end of Ottawa just 25 minutes from downtown. The Marshes offers both a full 18 hole course ("Marshes") as well as a 9 hole executive par three course ("Marchwood").

This year's tournament offers the choice of playing either 9 holes on Marshes or 9 holes on Marchwood including a ½ hour clinic lesson.

A 12:00 pm start time will allow plenty of time after the game to relax and enjoy drinks and hors d'oeuvres with your fellow golfers before returning to the Delta Ottawa City Centre Hotel in time for the pre-conference reception.

Yet, as time went by, Margaret was unprepared for public life, and plagued by mood swings. After three sons with Pierre, the marriage ended. She then remarried and had two more children. But the tragic loss of her son, Michel, in a skiing accident and the passing of Pierre Trudeau a few years later, were too much to bear, and she became severely ill. Today, Margaret has rebuilt her life once again. KEYNOTE  
SPEAKER

Most of us have hit "reply all" by accident, at least once, and found ourselves scrambling to try and recall the message. Some of us have had a social media post that might have been best left unsaid or have been told by our kids that "if you tag them again they are going to block you on Instagram". Welcome to communications in 2018 where nothing online or in email is private. This presentation will look at media, social media and communications in a modern professional and personal world and how best to maximize what you say, how you say it and when you say it.

	<i>The Canadian War Museum is Canada's national museum of military history and one of the world's most respected museums for the study and understanding of armed conflict. The Museum traces its origins back to 1880, when it consisted primarily of a collection of militia artifacts. The Museum opened at its new location on the LeBreton Flats site in downtown Ottawa on May 8, 2005. Its opening not only marked the 60th anniversary of the end of the Second World War in Europe (V-E Day) but also the 125th anniversary of the Museum itself. Since its opening in 2005, the Museum has welcomed approximately 500,000 visitors every year.</i>	
	<i>We are delighted to celebrate ILCO's 50th anniversary at this prodigious venue surrounded by Canadian militia artifacts.</i>
